**Patent No. 09/915,469, Withdrawal of Notice of Abandonment**

Dear Mrs. Ware,

I received the Petition Decision of Feb. 24<sup>th</sup> reestablishing the pending status of the patent.

I would like to thank you and the Petition Officer for this.

I was a little sad to hear that neither Mike Meister nor Mike Hartman are suited to practice before the office.

As I have withdrawn the P. O. A. from my patent attorney, I would like to discuss the details with you personally.

Is there anything I can or have to do at the moment to prosecute the application?

Please answer me by fax or by email, preferably by email.

My fax number is: 0049-8336-813614. The email-address is: M.Kleespies@euronia.com

Regards,

Dr. Matthias Kleespies
